

syscall\_entry

```
graph LR; A[syscall_entry] --> B[get_current_process]
```

A diagram showing a horizontal flow from left to right. On the left is a gray rectangular box with a black border containing the text 'syscall\_entry'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box with a black border on the right. This second box contains the text 'get\_current\_process'.

get\_current\_process
