

exception_disable

```
graph LR; A[exception_disable] --> B[idt_disable_handler]; B --> C[idt_set_handler];
```

A flowchart illustrating a sequence of three components. The first component, 'exception_disable', is enclosed in a gray rectangular box. A dark blue arrow points from its right side to the second component, 'idt_disable_handler', which is in a white rectangular box. Another dark blue arrow points from the right side of the second component to the third component, 'idt_set_handler', also in a white rectangular box. All boxes have a black border.
