

floppy_motor

```
graph LR; floppy_motor[floppy_motor] --> floppy_get_current_drive[floppy_get_current_drive];
```

The diagram consists of two rectangular boxes. The left box is shaded gray and contains the text 'floppy_motor'. A blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'floppy_get_current_drive'.
