```

A diagram illustrating file dependencies in a kernel. At the top is a gray rectangular box containing the text 'kernel/include/drivers/floppy.h'. Below this box are two white rectangular boxes. The left box contains 'kernel/kernel.c' and the right box contains 'kernel/mbr.c'. Two blue arrows point from the top-right corner of the 'kernel/kernel.c' box and the top-left corner of the 'kernel/mbr.c' box towards the bottom edge of the 'kernel/include/drivers/floppy.h' box, indicating that both source files include this header file.
