

libc/include/sys/types.h

```
graph TD; A[libc/include/sys/types.h] --> B[sys/cdefs.h]; A --> C[stdbool.h];
```

The diagram illustrates a header file dependency. At the top, a gray rectangular box contains the text 'libc/include/sys/types.h'. Two blue arrows originate from the bottom center of this box and point downwards to two separate white rectangular boxes. The left box contains the text 'sys/cdefs.h' and the right box contains the text 'stdbool.h'. Both boxes have a thin black border.

sys/cdefs.h

stdbool.h
